

Knitting Classes, Wednesday nights at 6:30pm at the Community Center. **FREE!**

Students will need to purchase yarn and needles to bring with them to the first class. U.S. size 7 or 8 bamboo needles recommended and one skein of a medium weight yarn in a light to medium color so stitches are easier to see. The wooden needles work slower and are easier to handle for beginning students. Experienced knitters can bring a project in progress or whatever they wish. These supplies can be purchased at Joann Fabric, Walmart, and Green Mountain Fibers in Rutland (259 Woodstock Ave - near Home Depot).

Barbara Wanamaker will be instructing the class. RSVP to [bewanamaker@gmail.com](mailto:bewanamaker@gmail.com). 802-396-0130 or just show up!
