

Selectboard, Town of Plymouth
Monday, September 9, 2019
Regular Meeting Minutes
6:00 PM

Members: Ralph Michael, Chair; Larry Lynds

Others: Joyce Cooper; Rick Kaminski; Sandie Small

- Ralph called the Meeting to Order at 6:00 pm.
- Introductions were made.
- There were no changes to the Agenda.
- The Minutes from the Meeting of August 5, 2019, were reviewed. Larry motioned to approve; Ralph seconded; so voted.
- Rick Kaminski spoke on behalf of the PZ Commission regarding the deteriorated area on Route 100 (the Ward house; the country store; the camp area), hoping to deal with this area in a positive and constructive manner. Rick has experience working with procuring grants and is looking at possible avenues. There is a bloc grant from HUD which requires control (not ownership), needs letter from owner, needs a 25 percent match in money or services; and trorc will help write a grant. Rick wanted to be sure the SB had no problems with his pursuing this; and the SB did not.
- Mail was reviewed and tended to.
- Warrants were reviewed, approved, and signed.
- New business was tended to.
- Under old business: the Town Plan vote will be Tuesday; the heater work by CV Oil for the CC was approved; F & W was tabled.
- The next Meeting will be October 7, and then October 21; in November it will be the 4th and the 18th.

Larry motioned to adjourn the Meeting; Ralph seconded; so voted. The Meeting was adjourned at 6:36 pm.

Draft written by Sandie Small

Ralph Michael, Chair

Larry Lynds
